

# RED GRANDIS

## Red Grandis Veneers

Environmentally friendly and sustainable Red Grandis veneer is available in either plain sliced or quarter sliced. Red Grandis veneer provides the unique beauty of an exotic looking veneer, while maintaining the cost effectiveness of a domestic species.

## Red Grandis veneer flitch stock

**Thickness:** 0.6 mm

**Width:** 10 cm and wider

**Grades:** AA, A, B and C

**Grain patterns:** Choose either plain sliced or quarter cut. There is a limited amount of highly figured veneer available for special orders.

## Red Grandis spliced faces and layons

**Thickness:** 0.6 mm

**Dimensions:** Standard 4' x 8'. Maximum length is 8'. Longer lengths planned for early 2011.
