REHAU

RAUVISIO noir

Forged with the finest materials to create a monotonic matte surface.

Take a tour of this award-winning soft touch, independent healing ability and antimicrobial high-end surfacing material. FSC® Certified available.

RAUVISIO terra

Extremely durable, deeply textured surface made from HPL rather than TFL paper. Components feature double-sided woodgrain with matching REHAU LaserEdge™ edgeband. Bring the outside in with soft-touch, deeply textured woodgrains.

FSC® Certified available.

RAUVISIO matte

Add sophistication and practical benefits to any design space.

RAUVISIO matte is an outstanding super-matte PET surface for all types of commercial and residential applications. PEFC Certified.

RAUVISIO brilliant

Offers the highest quality in high gloss. REHAU components feature double-sided, high gloss acrylic surfaces laminated onto super-refined MDF in a PUR clean room environment to ensure a mirror-like reflective quality. Creating sparkling, mirror-like, high-gloss surfaces highlighting current trends in furniture designs. PEFC Certified.

RAUVISIO crystal

Gives all the beauty of back-painted glass with none of the drawbacks. It can be cut and drilled with normal tools and requires no frame. Components feature a matching balanced backer and are finished with REHAU LaserEdge™. Crown your design in polished perfection, and be a cut above the crowd. PEFC Certified.
