

Bold texture,
adventurous color palettes,
a finger on the pulse
of international design

STEVENSWOOD™

Walnut Pittoni

Classic woodgrains coupled with an aggressive depth

Mezzo Cherry

Clean and modern with a fresh complementing look

Trento Oak

Distressed aesthetics and bold cathedrals

StevensWood is changing the world of surfaces. Enhance every space with wide-ranging options in woodgrains, solids and abstracts. Pair with award-winning textures to invigorate your next design. Specializing in woodgrain texture, StevensWood collections are versatile. Artika and Rain offer sleek, linear polish for contemporary and transitional spaces. New additions to the award-winning Legno Collection exude rustic chic characteristics for evolving design trends.

From retail and hospitality, to healthcare and education, to closets and office space, StevensWood surfaces are an ideal fit. Complete programs include matching banding, mouldings, slab and five piece doors, laminated panels and high impact surfaces.
